

Fundraiser for Jena VanGroningen

Jena VanGroningen is a pedestrian who was hit by a police cruiser on 11/5/06 in Lincoln NE. She suffered severe brain trauma and remains in a coma. Family members have been staying with Jena around-the-clock since the accident. (Jena is related to the Sunderman, Torres and Dix families in Plattsmouth). Her mother, Debbie Chinnow, is a self-employed hair stylist and has been off work for over 10 weeks as she helps with Jena's care. Proceeds of the fundraiser will go toward Jena's continued care.
